

We are looking to recruit for the following vacancy:

Job Title: Occupational Therapist

Department: William Merritt Centre, General Assessment Services (Adults and Children)

Location: Aire House, 100 Town St, Rodley, Leeds LS13 1HP

Salary: £37,000 - £39,959 depending on experience + pension, pro rata for part-time hours

Work Pattern: 22.5 hours/week over 3 days

Closing Date: 11/10/2026

Interview Date: 20/10/2026

We have an exciting opportunity for an experienced Occupational Therapist to join our team at the William Merritt Centre, which is a registered charity and Social Enterprise, based in the West of Leeds, but supporting the whole of Yorkshire.

We are looking for an Occupational Therapist who wants to develop their skills and knowledge in adult and paediatric assessments, which include delivering Occupational Therapy Assessments at outreach centres across the region, including powered wheelchair, mobility scooter, passenger access, car seat and car seat safety assessments (travel time to outreach centres to be included within working hours).

You will need to bring enthusiasm, knowledge and experience of carrying out assessments in a variety of settings.

What support will I get?

Our Occupational Therapists change lives. It's a challenging job and we recognise that to achieve excellent outcomes for our clients our staff need to feel supported and have opportunities to develop.

As part of our staff group you will have the opportunity for:

- Full induction
- Working as part of the Occupational Therapy team and experience working for a charitable organisation.
- We offer opportunities for flexible working (within the needs of the service) and value the importance of maintaining a good work-life balance for staff wellbeing.

- Connection - we value the importance of connection and professional relationships to continually learn from each other and from the people and families we are working alongside.
- Partnership working – there is a strong commitment to partnership working across the region with our health and social care colleagues and Driving Mobility Centres. The William Merritt Centre is part of this by providing impartial assessments to support clients and families who may not be able to get support from statutory services.
- There is a robust supervision and appraisal framework.

To apply for this role, you must have a current HCPC registration and the post is subject to an Enhanced Disclosure and Barring Service (DBS) check.

If you are interested, and would like further information and/or an application pack, please contact:
